## Chips

The University Hatchet, the Committee on Student Life, and the Administration have united to give employment to 14 persons, and thus help the present situation along some. These 14 will draw no salaries, of course, but will be members of a Student Council which will be the governing body for University students. Jobs will be available shortly after Easter, we hear, and of course, if the senior classes of the various schools should decide to organize, more jobs will be on tap.

Further employment will be needed for on the staff of The Hatchet, for a new fourth point will be required just below the masthead of this publication. How, we long for the day when the ones about a student union building and a school of journalism may be junked!

A yarn is told us of a young lady reporter who went interviewing three professors according to her assignment, and on arriving at the office of the first, was admitted by a young person whom she took to be the professor's secretary. "Nothing was said for a few moments, and then the s. y. l. (History Department for 'sweet young thing') blurted out: 'I'm a Hatchet from the reporter'."

A circular has come to our desk telling of the advantages which a college man may have if he chooses a career in the Federal prisons for his profession. Let us hasten to add that the profession begins with a post as guard and not as inmate. But to continue with the circular we quote:

"Prison work has long represented a career for college-trained men in European countries. It calls for intellectual and moral qualities of a high order. It offers opportunity for advancement to positions which are better paid than most college professorships."

Imagine some hard-boiled yegg simpering, "Professor, I ain't broke them rocks today because I had a friend me fraterninity initiation!" And can you feature someone cutting a class?

That such a job is even more academic is indicated by the fact that students are "also instructed in the use of firearms, boxing, and Japanese wrestling." Most college men with rumble seat training could qualify here, even without technical instruction.

We read in the daily press that a young man was arrested by an officer who paced him all the way from Chicago to Evanston, and asserted that the young man and his companion held a kiss all of the way until interrupted by the policeman. The lucky young man was assessed \$15 by the judge—the rate of \$4 a block, but there were compensating factors in that the blocks were long.

The one thing which we learn from the article is that streets are well made in Chicago and Evanston. We've never been able to negotiate 50 yards successfully on our roadways without evoking feminine screams to accompany the scraping of fenders against trees or telegraph poles.

The Provost of the University visited The Hatchet office the other day, we understand, and became alarmed at the number of bottles ranged on the shelves along the wall until he stepped closer and read the inscription, "Baste."

This Panhel Prom has been put off again. First it was to be on April 25 (correct us if we're wrong) and then on May 2 and then on May 9, and now May 13 is set. And when we think of what the weather will be then, we wonder if and when we get our stag bid they will let us wear white flannels and a blue coat? If they don't, we'll have to cart along several extra collars and possibly a spare shirt front.

Procrastination such as this makes us want to translate the first half of Panhel, and allow the second portion to stand as is.

G. W. prof takes his class to the Tidal Basin among the cherry blossoms to study French. The only difficulty is that when he went to call on them to read, half of the group was some distance away tossing stones in the water to make the ripples go places. Students are assigned to certain automobiles for transportation to this classroom, and we suppose that a horn is sounded at the close of the hour.

We'd invite you over to see the new offices of The Hatchet, which were to be ready two weeks ago, but we'll have to wait until after the spring vacation. Dodge all eggs younger than five minutes, and don't eat too many old ones. DICK ROLLO.

## FUND INCREASED FOR SCHOLARSHIP BY G. W. WOMEN

Check Will Be Presented At Next Meeting of Board of Trustees

IMPROVEMENT PLANNED FOR HOME EC GROUNDS

Mr. Lisner Presents Gift To Be Used For Foundation Planting

At the Columbian Women's meeting on April 7 an additional sum of \$500 was turned over to the scholarship fund, making a total of \$1,000 for the year. This money will be presented to the Board of Trustees of the George Washington University at their next meeting through Mrs. Joshua Evans, Jr., of the Board, and Miss Elizabeth Peet, Chairman of the Scholarship Committee.

Mrs. Evans, who is chairman of the Alumni Relations Committee, announced that the Garden Section of the Twentieth Century Club had undertaken the landscaping of the grounds of the Home Economics Building of the University. Mrs. Evans also announced a gift to the University from Mr. Abram Lisner, of the Board of Trustees, to be used for foundation planting in front of Lisner Hall, the building which Mr. Lisner gave to the University some years ago.

Miss Elizabeth Peet announced that four of the six girls who are holding Columbian Women Scholarships this year are on the honor roll of the University. Mrs. Robert E. Briggs reported upon the work of the Newcomers' Committee, which was organized under her direction this year. Mrs. James H. Taylor spoke for the newcomers.

President Marvin Speaks

Dr. Cloyd Heck Marvin, President of The George Washington University, delivered his annual address to the membership at the meeting. He told of the development of the University during the past year with regard to physical equipment and teaching staff.

Turning to a topic of general interest, Dr. Marvin discussed the situation with regard to the disarmament conference. "The system of international cooperation based upon the spirit that begins to take form in the Kellogg-Briand Pact will ultimately prevail, and the understandings growing out of the present negotiations will hasten its acceptance even should those who stand in the way of accomplishment of the limitation program temporarily succeed," he said.

## Date of Panhel Prom Is Changed to May 13

Annual Sorority Prom To Be Held At Wardman Park Hotel

It has been decided to hold the Panhellenic Prom on May 13 instead of May 2, as that date has been selected by the Glee Club for a dance.

The prom will be held in the main ballroom of the Wardman Park Hotel. At that time, The Petticoat, annual publication of Gamma Eta Zeta, women's journalistic fraternity, will appear.

At this meeting the sororities adopted the plan of first-semester rushing for next year. The rush period will last ten days, taking place from November 2 to November 12, and each sorority will have one closed date. The financial limit will be the same as this year, one hundred and fifty dollars.

## PHARMACISTS ELIGIBLE FOR SCHOLARSHIP PRIZE

The Pharmacy School has been informed that the examinations for the Fairchild Scholarship will be given some definite date in June. This scholarship offers a prize of five hundred dollars, which will be given to the winning contestant for use in post-graduate work.

Two seniors from each pharmacy school in the United States are eligible. The students named from George Washington will be the two having the highest average in their school work for the last three years.

## COURTLAND D. BAKER EDITS NEW MAGAZINE

Member of English Department Connected With Poetry Quarterly

Courtland Darke Baker, instructor in English here, is one of the Editors of "The Carillon," a new Quarterly of Verse, edited by a group of Washington poets.

The other members of the editorial staff are Catherine Cate Coblenz, Caroline Giltman, and Anne Robinson. Mrs. Coblenz is a student at the University.

Provost Wilbur, of this University, and Dr. Lucius Clark, of the American University were listed among the first patrons of the magazine.

## EASTER DANCE

Pi Beta Phi will hold a dollar dance on Monday, April 21, in Corcoran Hall 1, from 10 to 1, for the benefit of their Settlement School at Gatlinburg, Tenn.

## LIBERAL CLUB HEARS ANTI-TRUST LOBBYIST

Nanette Dembitz Becomes President of Club as Linchberger Goes to China

"Has the Administration Sold Out to the Power Trust?" was the question discussed by Benjamin Marsh, director of the People's Lobby, before the Liberal Club on Wednesday evening, April 9.

Mr. Marsh pointed out that the chief concern of his group was to prevent the leasing of the Flathead and Boulder Dam power sites until Congress had adopted legislation which would definitely regulate valuations and rates of power plants. "The Federal Power Commission has done nothing to protect the people's rights," he said.

Nanette Dembitz, vice president of the Liberal Club, has succeeded Paul M. Linchberger as president of the club. Linchberger having left last week for China. A meeting will be held at her home on Wednesday, April 16, for the purpose of electing a new vice-president. A joint dance with the International Friendship Club, to be held on April 25, and the program for May, will be discussed.

The club is negotiating to obtain Oswald Garrison Villard, editor of "The Nation," who will speak in Washington in May 23.

## 500-Word History Due For Contest April 28

Professor Churchill Speaks to History Club on Colonies as Frontier

The prize contest for a five hundred word history of the United States, sponsored by the History Club, closes April 28, and the results will be announced May 8. At this time the prize of twenty-five dollars will be presented to the winner. Students participating in the contest are privileged to select for a place in their history any event since the beginning of American history, for there is no restriction on the period which the history must cover.

Prof. Churchill of the History Department delivered a lecture on "The Colonies as the Western Frontier," at the History Club meeting last Wednesday. In his short talk the professor stressed the parallelism of the problems of the original colonies and of the advancing frontier as evidenced by the five major problems of frontier life: disposition of the Indians, the land question, communications, government, and social organizations.

## Newman Club To Give Party During Recess

Meredith and Hamill Will Direct Club Activities During Coming Year

The Newman Club announces its card party to be held at the Burlington Hotel during the holidays on Friday evening, April 25, at 8.30. Reservations should be made through the chairman of the committee, Anna King, Apt. 7, 1814 G Street.

Members of the Newman Club went to the Georgetown University Observatory last Thursday evening and heard Father McNally explain the science and construction of the telescope and other instruments used in observing heavenly bodies.

The election of officers for the coming year was held at the last meeting of the Newman Club, Thursday, April 3. The following were elected to office: Richard Meredith, president; Frances Hamill, vice president; Louise Parker, recording secretary; Marian Roberts, corresponding secretary; Charles Perry, treasurer; and Paul Flanagan, sergeant-at-arms.

## OPEN DANCE ON MAY 3 PLANNED BY MENORAH

An open dance will be held by the Menorah Society of George Washington University on Saturday evening, May 3.

At the last meeting of the organization, Bessie Litman discussed the project of an American Jewish University.

## POETRY CLUB ELECTS

Barbara Miller has been elected secretary of the Modern Poetry Club to fill the office left vacant with the resignation of Lee McNeil, who resigned due to lack of time.

## ENGINEERS AT G. W. U. HOLD ANNUAL BANQUET

Prominent Engineers Attend and Speak; Glee Club Entertains

The annual engineering banquet was held March 12 in the Chinese Room of the Mayflower Hotel and was attended by members of the George Washington faculty and student body and of the local branches of the American electrical, civil, and mechanical engineering societies.

Provost William Allen Wilbur, representing President Cloyd Heck Marvin and Dean John R. Lanham of the School of Engineering, were honor guests. The latter presented the Sigma Tau freshman engineering medal to Charles Critchfield, last year's winner. Edward S. Purdee, a prominent engineer now with the Capital Traction Company and a graduate of the class of 1924, acted as toastmaster, and General R. T. Rees, personnel director of the Bell Telephone System and President of the Society for the Promotion of Engineering Education, together with L. W. Wallace, executive secretary of the American Engineering Council, were the speakers.

Entertainment was given by the George Washington Men's Glee Club and by a local dancing team.

## Prof. Yeager Publishes New Talkers' Textbook

Latest Volume, Written in Collaboration With Illinois Professor, Issued By McGraw-Hill

"Business Speeches by Business Men," the newest book by Willard Hayes Yeager, Dewey professor of public speaking at G. W. U., collaborating with William Phillips Sanford, head of public speaking at the University of Illinois, came off the press April 3, 1930. A 750-page book, published by the McGraw-Hill Publishing Co., it is to be used in connection with course 107, Persuasion and Formation of Public Addresses.

It contains approximately 75 speeches by such prominent leaders as Herbert Hoover, Walter S. Gifford, president of the American Telephone and Telegraph Co., Owen D. Young, chairman of the board of General Electric, Bruce Barton, head of an advertising agency in New York, and Ernest N. Smith, executive vice-president, A. A. A.

This book is published as a companion volume to a three-volume textbook on public speaking, written by Sanford and Yeager.

Professor Yeager has recently been notified by his publishers that they have received an order from the Philippine Islands for 750 copies of "Successful Speakers," a textbook for secondary schools.

## ATTORNEY WILL SPEAK TO FRESHMAN WOMEN

Margaret Lambie, George Washington Alumna, Now Practicing

Margaret Lambie, practicing attorney of Washington, will be the next speaker in the series of talks to the freshman women on vocations. On Tuesday, April 23, she will discuss the various vocations to which training in law leads. As usual, the informal lecture will be held in M.U. at 12 o'clock.

Specializing in her work in international law, Miss Lambie is considered a lawyer of recognized ability in that field. Since graduation from the George Washington School of Law in 1925, she has studied her profession both here and abroad. She has the distinction of having been admitted to practice before the Supreme Court of the United States.

## BOTANY CLASS TO TRAVEL

The advanced Botany class accompanied by Dr. R. F. Griggs, is planning a trip to North Carolina during spring vacation. About twenty students will go. They are driving down on April 19 and will spend a week.

The principal purpose of this trip is to study various plants, some of which are found only in that section of the country. The trip will be secondarily a pleasure jaunt. Time will be divided between Smith Island, North Carolina Coastal Plain, and Wilmington. The island is characterized by palm trees, cypress swamps, Spanish moss, and Venus Fly-Traps, the latter of which grows in no other place in the world.

Since this is to be a camping trip, the party is hoping for warm weather.

## DIETICIANS VISIT HOPKINS

The seminar classes in Dietetics and Nutrition visited the Johns Hopkins Hospital and the National Chemical Association's Laboratories last Saturday. The Chemical Laboratories are under the direction of Dr. E. L. McCullum, who has done a great deal of work with separation of the various vitamins.

## Reader of "Hatchet" Calls Attention to Ancient Relic Found on G. W. Campus

To the Editor:

While perusing the last issue of The Hatchet, a notice to the effect that the University library contains a rare old manuscript caught my eye. This volume is entirely free from discoloration, and is exquisitely wrought by hand. It is bound in vellum and is worth about \$150, being the only one of its kind in the U. S.

I would like to call attention to a more or less similar rare edition of which the University may also boast. Parked in front of Lisner Hall at almost any time of the day may be seen a rare old Ford, vintage undetermined. Unlike the above mentioned relic, this one is not free from discoloration, nor is it exquisitely wrought by hand. Human hands, however, have worked marvels of rejuvenation upon it, and it is at present bound, not in vellum, but in yellow tin. It is practically the only one of its kind in existence, and is worth about \$8,000, antiquespeak. The owner, however, is most eager to part with it for \$20.00 cash, and well he might be, for half that price would be exorbitant.

ONE WHO CRANKED

## ALPHA LAMBDA DELTA INSTALLED SATURDAY

Dean Maria Leonard Performs Ceremony For Seven Sophomores and Six Freshmen

The initiation and installation of the George Washington chapter of Alpha Lambda Delta, national scholastic honorary society for freshmen women, took place April 12 at the Willard Hotel.

Seven sophomores, Janette Bernstein, Mildred Burnham, Carolyn Brooks, Nanette Dembitz, Mary Macella, and Margaret Payne, were initiated as chapter members, and six freshmen, Elizabeth Churchill, Elizabeth Farrell, Marion Fick, Virginia Gummel, and Jane Menefee were then accepted into the fraternity. Mrs. Vinne Barrows was made honorary member. Following this the ceremony for installation of the chapter as a whole was performed.

The after-dinner speeches at the banquet, which was subsequent to the ceremonies, were made by Dean Maria Leonard of Illinois University, the national grand president of Alpha Lambda Delta, by Mrs. Joshua Evans, Jr., member of the Board of Trustees of George Washington, and by Mrs. Vinne Barrows, honorary member and Advisor for Women of G. W.

## Tau Alpha Omega Gets High Scholastic Mark

Average of Fraternity 0.23 Higher Than Nearest Rival, Says Assistant Registrar

The Tau Alpha Omega Fraternity at George Washington University, earned a scholarship index of 2.01 for the first semester of the year 1929-1930. The Office of the Registrar has announced. This is the highest average on record for any social fraternity on the campus of the school.

"The index shows better than a B average," states Mr. Fred E. Nesselt, assistant registrar, "and the fraternity is certainly to be congratulated on its splendid work." The average of the entire undergraduate body of the University for the past semester was approximately 1.31. The second highest fraternity was approximately 0.95 lower than the T. A. O.

Up to this time, the sororities at George Washington Universities have regularly had higher averages in scholarship than the highest of the fraternities. However, the Tau Alpha Omega average this year was 0.23 higher than that of the highest sorority.

## STEVINGSON CHOSEN IN SPEECH REPRESENTATIVE

Edward C. Stevingson of Columbian College, will represent George Washington at the National Intercollegiate Oratorical Contest. The time and place of the contest have not yet been announced.

Dean Frazier, of the Law School, took second place in the tryouts held last Friday in Corcoran Hall. Professor Yeager acted as judge of the University tryouts.

## ADDRESS IN C. H. TODAY

Mr. E. W. Ely of the Division of Simplified Practice of the Department of Commerce will speak on the subject, "Elimination of Waste in Industry," today, April 16, at 10:10 a. m. in Room 23, Corcoran Hall. This is the regular meeting of the class in Business Administration, but visitors are invited.

## SCHOOL COUNCIL IS APPROVED BY ADMINISTRATION

Hatchet and Student Life Committee Encouraged Organization

PRESIDENT MARVIN GAVE HIS APPROVAL LAST WEEK

Elections For Representatives On Council May Be Held After Easter

Student Government through a representative governing council, as advocated by The Hatchet as the fourth plank in its platform, will soon become a reality, the University Administration has just announced.

Provost William A. Wilbur announced last week that President Marvin had approved the organization and that he thought it of advantage to hasten action and have the Student Council organized at the earliest possible date. The plan for organizing the Student Council now rests with the student members of the Committee on Student Life, which will meet this week to formulate plans for the elections in all schools and colleges.

Though official action has not been taken, the elections will probably be held very soon after Easter for the school year 1930-1931. It is believed that Dr. Warren R. West, of the School of Government, will be in charge of the elections. He has in the past supervised elections of class officers.

The Student Council may possibly take the place of the class officers, which, by the way, have not been elected for the current year. But the council will not necessarily replace class officers. It is presumed that the Senior Class at least will maintain its organization.

The Committee on Student Life recommended the organization of the Council in the following resolution given to the Administration:

"Resolved, That a student council of representatives from the several schools and divisions of the University be established.

"That these representatives be elected by their respective schools, with each school or division being entitled to one delegate for each 500 students or major fraction thereof registered in that school or division, provided, however, that no school or division have less than one representative.

"That these elected members of the council choose one of their number to serve as president of the council and concurrently as president of the student body of the University, and that another member of the council be elected by the council as vice president, and a third member as secretary-treasurer.

"Representation would be as follows:

School	Students	Rep.
Columbian College	2,368	5
School of Graduate Studies	375	1
School of Engineering	382	1
School of Pharmacy	51	1
School of Education	501	1
School of Government	82	1
Div. of Library Science	108	1
Division of Fine Arts	105	1
School of Law	694	1
School of Medicine	278	1
Total		14

## Y. W. C. A. Will Hold Election of Officers

Association to Prepare Baskets of Easter Eggs For City Orphans

Officers for the coming year will be elected at a meeting of the Y. W. C. A. to be held tomorrow in Corcoran Hall, at 12 o'clock. Members are requested to bring to this meeting the Easter eggs for the children at Hillcrest, the city orphanage, or give them to Roberta Wright by Friday. Tickets for the closing banquet, to be held at the Blue Triangle Hut May 1, will be sold at this meeting, and delegates to the summer conference at Forest Park, Pa., will be announced.

A conference of the Tri-State Y. M. C. A.'s and Y. W. C. A.'s will be held at Sherwood Forest, May 2 to 4, when the new cabinets will discuss plans for next year. All Y. girls are invited to attend the conference.

The G. W. week-end at Kamp Kahlert will be held May 10 and 11, with about sixty girls expected to attend. More details will be given in The Hatchet and by posters.

## SCHOOL OF GOVERNMENT ANNOUNCES HONOR ROLL

The Honor Roll of the School of Government for the past semester includes the following students: Harold W. Curran, Florence Davidson, Margaret Douthett, Evelyn Eller, Cecile Harrington, Hilda Hayes, George Jarvis, Bertha Kauffman, Helen Manning, Verna Mohagen, Louise Parker, Harry Ruddiman.

4. The Abolition of Class Officers and the Organization of a Representative Student-Governing Council.

WASHINGTON, D. C., WEDNESDAY, APRIL 16, 1930

## POINT FOUR

Possibly by the next issue of THE HATCHET Point Four will be removed from the list just above these lines, because some system of election will be drafted, and the student governing council, which this paper has been advocating for nearly a year, will be a reality.

Last spring THE HATCHET first advanced the idea that the 115 class officers were in some cases merely the rewards of campus politicians, in others the result of tradition, in still others the means whereby two or three friends might unite and elect each other to offices, casting the sole votes in that class of that school, and in every instance were positions of little power, less responsibility, and no activity. Surveys of conditions at George Washington bore out these facts.

For these reasons, THE HATCHET urged the abolition of all class officers, and while the student government plan adopted by the Administration does not specifically forbid class officers, this publication feels that the same end will be achieved, for only those classes with sufficient interests in common will strive for organization, and officers chosen by such groups will find things to do.

As for the student council which is to be, there is a large field in which it may properly work. It may be a powerful force in molding student opinion behind all types of University activity—athletics, publications, debating, dramatics, and a host of other varied extra-curriculum interests now present. It may revive old traditions and social events that should be worthy of preservation. It may look after general University functions; it may invite speakers to address the student body—and see that a sufficient audience is present. It may speak with some degree of certainty to the Administration as representing the wishes of the students of all schools and divisions.

When the new council is elected for next year, it is hoped that strong, constructive leaders will be chosen instead of fraternity politicians. A provision which should insure this would call for the person receiving the second highest number of votes in the elections replacing any council member who does not return to school. Fraternity line-ups would be careful to select nominees who would be in school the following year, or else the rival "party" would automatically assume the position. This will tend to bring out a better type of candidate than has held office hitherto, and herein is THE HATCHET well pleased.

Point Four is almost a reality, and Point Three of THE HATCHET'S program seems to be a certainty. Points One and Two are suggested for the attention of the Administration as thanks are given for the gift of Point Four.

Delta Zeta announces the initiation of Frances Owen and Vivian Nickle.

Miriam Silverstone, who attended the University last year, has just returned from an extended trip abroad.

Henry Zuberano, until recently a student at George Washington University, is now on the Pacific Ocean en route to Samoa.

Delta Zeta entertained its new initiates with a supper Saturday night at the Brick-Wall Inn.

The Pi Phi pledges entertained the actives and the alumnae with a vaudeville Saturday, April 1, at Tilden Gardens.

Chi Omega gave a dance at the Bethesda Woman's Club Thursday, April 10.

Pi Beta Phi is entertaining at luncheon April 16, in honor of Mrs. Barrows.

Margaret Blackstone had a surprise party for Edith McCoy on her birthday, April 14th.

Norita Porter gave a bridge party in honor of Ruth Dickinson on April 15th, at her home at 2101 Connecticut Avenue.

Ruth Remon, Jane Wilson and Nellie Howlett were guests at the Theta Delta Chi house for Sunday evening supper on the sixth.

Betty Waller, Janet Allen, and Margaret Blackstone were guests at the Sigma Chi house for dinner Thursday the tenth.

Phi Sigma Kappa gave their Spring Formal at Indian Springs. The music was furnished by McWilliams' Orchestra.

Dr. Russell Jansen of T. U. O. was married to Miss Helen Carter on Saturday, March 29, in Washington, D. C.

Laura Farris attended the White House reception, given last Wednesday to the American Society of Mechanical Engineers.

The pledges of Alpha Delta Theta gave a bridge party and supper for the actives Wednesday, at the home of Jean Sandidge at Clarendon, Virginia.

The Pi Phi Mothers' Club held a meeting in the rooms, Thursday, April 10. Luncheon was served, by the pledges.

Alpha Delta Theta had supper in their rooms last Saturday night.

Among those who attended the Phi Alpha house party at the University of Virginia April 5, were Rhoda Friedman, Dick Finkel, Horace Smith, and Leonard Berman.

Chi Sigma Gamma announces the formal pledging of Ella Sanborn, Dorothy Volk, Mary Alice Phillips, and Dorothy Baier on March 30.

Alpha Delta Pi had as guests to dinner Monday, April 9, Harriet Ross and Frances Marshall McClure.

Margaret Gilligan, Arline Spencer, Dorothy Niess, Lester Harris, Arthur Krimmeyer, Everett Dahl, George Bauls, Jack Dishman, and Bill Helvestine attended the minstrel show given by the Maryland Chapter of Kappa Alpha.

Lee Anna Embrey was the guest of Kappa Delta at dinner Monday, April 7.

The pledges of Phi Delta gave an old-fashioned party for the actives Friday.

The neophytes of Phi Sigma Sigma entertained the pledges of other sororities at tea Thursday. Mrs. Vinnie G. Barrows and Provost William Wilbur were special guests.

Phi Delta actives gave a bridge party Monday in honor of their pledges.

Bertha Kauffman entertained some friends at a collegiate bridge, Sunday, April 7.

The recently organized fraternity, Alpha Pi Omega, gave a house party on Friday evening.

Cary Wolcott Aal was the guest of Mrs. Susie Root Rhodes, Director of Playgrounds, at a dinner at the Women's City Club on April 9.

Alpha Epsilon Phi entertained at Bridge on Sunday, April 13, at the home of Phyllis Mills.

Chi Sigma Gamma held an April Fool party in honor of its pledges on April 1. Cora Lee Hilberg was the hostess.

Phi Alpha announces the pledging of Everett Simon.

The Kappa Alpha Fraternity had a joint banquet of the eight chapters of this province on Sunday, April 13, at the City Club, and the installation of officers was held.

Jerry Sickler gave another one of his novel parties at the Columbia Country Club on Sunday, April 6.

Tennis and horseshoes were the principal pastimes.

Jerry Fries and Bob Considine played tennis and Brad Swope, Jerry Sickler, Scott Rigby, and Bob Hall played horseshoes.

The Alumni Association of Sigma Alpha Epsilon gave a dinner last Thursday at Harveys.

M. E. Janson, Arch. Editor of Theta Upsilon Omega, was in Washington last week to attend the mechanical engineers banquet.

Helen Lawrence, of the Women's Physical Education Staff, entertained at tea on Sunday, April 13, in honor of the members of the varsity basketball squad.

Zeta Tau Alpha entertained at tea on Sunday, April 13, at the Army, Navy and Marine Corps Country Club in honor of their Province president, Mrs. Ada Harris.

Dorothy Worral gave a luncheon last Saturday afternoon in the Rose Room of the Hamilton Hotel for the bridal party in honor of Miss Jean Gravatte, whose engagement has been announced to Lieutenant Le Page Cromviller.

T. U. O. announces the formal pledging of Bill Cronch.

Miss Agnes Lee entertained Beta Chapter of the Phi Delta Gamma Graduate Sorority at a tea in the Sorority rooms on April 6.

Emma Thom of Beta Chapter, Phi Delta Gamma Graduate Sorority, was elected president of the National Council at the annual meeting held on April 9, at American University.

Lella Fisher entertained at dinner at Dover House April 5, for her cousin, Austin Fisher, of New York. Guests from G. W. included Eleanor Daniel, Mary Virginia Smith, Marie Siegrist, Midge Burnham, and Luther Angle.

Elise Collins announced her engagement by entertaining the Sigma Kappa at an ice cream party Monday night. Dr. Ragatz was also a guest.

Among those at the Acacia House for dinner Sunday, were Marion Fick, Ruth Campbell, Jane Blackstone, and Maude Hudson.

## MED-ECHOES

Phi Chi held its spring formal on Saturday, April 5, at the Kenwood Country Club. About fifty couples were present, the fraternity turning out en masse for the occasion. Marceron music was furnished.

Twenty men from the sophomore class of the Medical School plan to attend the encampment of the medical reserve unit of the Reserve Officers' Training Corps at Carlisle, Pa., from June 15 to August 1. During this six-week training period medical students from most of the eastern and many mid-western universities will receive instruction in medical practice as applied to military science.

Phi Lambda Kappa Medical fraternity staged a gala dance at the Carlton Hotel on Saturday, April 5. Thirty-five couples attended.

The sophomore medics intend to pass an enjoyable Easter vacation in refreshing their memories for the coming two-year anatomy finals.

## COLUMBIAN WOMEN'S BANQUET IS APRIL 29

Prominent Women Will Be Guests and Speakers

Senora Tellez, wife of the United States Ambassador from Mexico, and Mrs. James J. Davis, wife of the Secretary of Labor, will be the honor guests at the banquet of the Columbian Women, April 29, at the Chevy Chase Club. Guest speakers will be Miss Sophia Speiker, president of the Women's Aero Club of Baltimore; Mrs. Horace Albright, wife of the Director of National Parks; and Miss Alice Hutchins Drake, a member of the Columbian Women.

Mrs. Joshua Evans, Jr., will be hostess for the occasion and Miss Elizabeth Cullen, president of the organization, will preside.

Lucile Matthews died April 7, in the George Washington Hospital after an illness of almost two months. Miss Matthews was a senior in the School of Education and was on the honor roll. She was a member of the Hatchet staff and belonged to the Kappa Delta sorority.

## THETA DELTA CHI HEADS LEAGUE A

All Scheduled Games in Inter-Fraternity League Are Played Sunday

### PHI SIGS LEAD LEAGUE "B"

Kappa Alpha Defeats Sigma Nu In Extra Inning Game

After the games played Sunday, the second day of play in the Inter-Fraternity League, the standing is as follows: In League A, Theta Delta Chi is leading by virtue of its two wins in two starts. Kappa Sigma and Kappa Alpha are tied for second place with one win and no losses, with T. U. O. and S. A. E. next to last with one loss and no victories, and S. N. last, with two losses. In League B, Phi Sigma Kappa leads with one win, Sigma Chi is second with one win and one tie, Delta Tau Delta is third with a tie and a loss, and S. P. E. is last with one loss. Acacia has no game as yet, drawing a bye last Sunday.

#### Battle Fans Seventeen

In League A, Theta Delta Chi won its second victory in as many starts last Sunday morning on the Ellipse. With Dick Battle pitching his usual splendid game, S. A. E. was defeated by a score of 8 to 0.

For six of the seven innings the two teams were closely matched. The Theta Delta team scored once in the first, third and fourth frames, while S. A. E. went runless. But in the fifth inning the head of the batting list came up. Theta Delt knocked in five runs from as many hits.

Battle pitched a near-perfect game. He struck out seventeen of the twenty-four men who faced him, and only walked one. During the seven innings, he allowed but two hits.

Of the eight runs scored, Sterrett made three and Eakers two. The remaining markers were spread over the batting order. The game was fairly free from errors. Sig Alpha had three misplays, while the Rhode Island Avenue boys made but one.

#### The Score:

S. A. E. . . . . 000 000-0-0  
T. D. X. . . . . 101 150 x-8  
Struck out—By Battle, 17; by Durham, 11. Walked—By Battle, 1; by Durham, 2. Hit by pitcher—By Durham (Eakers).

#### T. U. O. Loses

In a second League A game, Kappa Sigma defeated T. U. O. in a slugfest. The Kappa Sig batters nipped Bucky Hebert for twenty runs, while hitting eleven T. U. O. runners cross the plate. One feature of this game was the two T. U. O. home runs in the first inning. Malcolm MacGregor was the outstanding batter for Kappa Sigma, making four hits out of five times at bat.

#### K. A. Wins

In the third League A game, Kappa Alpha beat Sigma Nu to the tune of 10 to 8. This was a close and exciting game, requiring two extra innings to reach a decision. With the Sigma Nus two runs ahead in the seventh inning, K. A. knocked in two runs to tie, and in the second extra inning

### Girls' Baseball Teams To Begin Practice Soon

Cary Aal Appointed Manager; Inter-class Teams To Be Selected

Over eighty-five girls are now reporting weekly for baseball practice on the Monument Grounds. The practices are held on Monday, Tuesday, Thursday, and Friday at 1.30, under the direction of Miss Janet Jones. There are sixty girls in the Tuesday and Friday classes and approximately twenty-five who take the sport on Monday and Thursday afternoons.

The girls are now learning to play their various positions on the field, but regular class teams will soon be picked, and then practice games will be held between teams.

As the freshmen and sophomores predominate in the classes, there will probably be several teams chosen from each class, nine players to a team.

All juniors and seniors who would like to learn the game, or who have already played, are urged to come out for practice in order that the two upper classes may be represented in the interclass series. All-spring sports will last about four weeks longer.

Transportation to and from the playing field is provided by the gym department.

Cary Aal has been appointed manager of baseball, and Morrow, Haley, Wassman, and Jones will act as assistant managers.

### COLUMBIAN WOMEN GIVE PLAQUE TO INTRA-MURALS

Winning Teams Will Be Named On the Plaque

At the last meeting of the Intra-Mural Committee, sincere appreciation was expressed for a tablet that Columbian Women are to present to the Intra-Mural Organization. The tablet will contain the names of the winning team this year and will be used for displaying names of winning intra-mural teams in the future. Hope was expressed by the Committee that they would be able to hang this tablet in a new gymnasium. The interest which is being shown by leading G. W. organizations as evidenced by Columbian Women's recent donation, lends certainty to the bright future of this new branch of athletics.

The Golf and Tennis tournaments of Intra-Murals are running smoothly. It is expected that games in each league will be played off by April 16th, and final matches will be played after the holidays.

made the two winning runs. Pigeon Marshall knocked a home run for K. A. Bob Stearns was the outstanding batter for Sigma Nu.

#### P. S. K. Wins Easily

Phi Sigma Kappa won their game last Sunday by virtue of the pitching of Dana Quarles and the consistent hitting of the entire team. Every one on the team hit safely with the exception of Quarles. H. Murphy got two doubles and Slye got a single and a double to take batting honors for the day. In the first inning the Phi Sigs amassed six runs and scored in the next four innings to bring the total score to 12 runs. The Dells scored in the second and third innings only, with two runs and one run respectively to make their total of three runs. The Phi Sigs made ten hits to the Dells' four. The final score was 12-3.

The S. X. S. P. E. game was a slugfest as Sigma Chi garnered sixteen hits off of Davis and Fawcett, while the S. P. E. got eight hits off of four S. X. pitchers. Moser, of Sigma Chi, was the leading slugger of the game, getting three hits and two runs. The final score was 16-8 in favor of Sigma Chi.

The second game for the day for Sigma Chi was against D. T. D. This game lasted for six and a half innings and ended in a 7 to 7 tie. The teams seemed to be rather evenly matched, as S. X. got twelve hits and the Dells made ten. Hits were evenly distributed between the members of both teams.

Acacia drew a bye for last Sunday and since it was impossible to secure a diamond, the game with Phi Sig was postponed until the time of its bye.

#### Standings

##### LEAGUE A

	Won	Lost
T. D. X.	2	0
K. S.	1	0
K. A.	1	0
T. U. O.	0	1

## G. W. RIFLERS WIN N. R. A. MATCHES

Score is 2,954 Out of 3,000; Carnegie Tech Second With 2,931

### WINS FOR FOURTH YEAR

Thirty Targets Shot Apiece; Wright, Parsons, and Spencer Get Leading Scores

The George Washington University Women's Rifle Team won the Women's Intercollegiate Championship of the National Rifle Association for the fourth successive year with a score of 2,954 out of a possible 3,000. Carnegie Tech came in second with 2,931. University of Washington third with 2,927, and the University of Missouri fourth with 2,829. About twenty teams participated.

Ten women were in the match, shooting six targets apiece in three stages with two targets a stage. Thirty targets were entered for the competition, so the women with the highest scores in each stage were counted. For the match as a whole the five leading women were as follows:

Robert Wright	591
Verna Parsons	591
Arlene Spencer	591
Carolyn Selbert	589
India Belle Corea	588

Besides these women, some of the targets of Naomi Crumley, Edna Collins, Eugenia Cuvillier, and Elmer Johnson were picked for entrance in the match.

The team is expecting to receive either a cup or a wall plaque as a trophy from N. R. A. The match was shot in February with Winchester Precision bullets.

The last contest of the year of The George Washington Women's team will be shot today against the University of Washington.

### EXAMINER IS APPOINTED

At a recent meeting of the Women's Athletic Division of the American Section of the Physical Education Association, Miss Helen Lawrence, assistant physical education director at the University, was appointed official examiner for rating basketball officials in Washington for next year.

She plans to organize a committee which will give both practical and written examinations to candidates next winter.

### PRE-MEDS DEFEATED BY COLUMBIAN COLLEGE, 6-4

The Intra-Mural Baseball League wound up its second week of play with the Columbian team downing the Pre-Meds by a 6 to 4 score.

As the Engineers could not play on Mondays, the games scheduled for that day will henceforth be played on Tuesdays. With this change in the schedule, games will be played on Tuesdays, Wednesdays, Fridays, and Saturdays.

In the other two games, whose scores were announced last week, Columbian defeated Law 13 to 4, and Pharmacy defeated the Engineers, 11 to 7.

### VARSITY TENNIS TEAM PROGRESSING RAPIDLY

Team to Play Georgetown in First Competition of Several Years

With a record number of candidates for the Varsity tennis squad, George Washington hopes to have, as good a team, if not better, than last year. More than forty men have entered their names as candidates for the team. The tournament, which will determine the Varsity squad is now in progress.

All the favorites have come through their first round matches without serious trouble, although Bill Seidell, of last year's team, was extended slightly in winning from Stanton, 10-8, 6-2.

The team is to play American University next Friday afternoon. An interesting feature of the schedule is a match with Georgetown University, which is the first Varsity competition between these schools in several years.

### TENNIS COACH RESIGNS

Dr. W. Stull Holt has resigned as coach of the varsity tennis team. A new coach is being selected by the athletics department, and an announcement is expected soon.

## COLONIALS PLAY SOUTH DAKOTA TEAM IN FALL

Iowa Cancels Game Which Was To Be Played On Same Date

An important change in the Colonials' football schedule for next fall has been announced by Coach Pixlee. The game with the University of Iowa, scheduled for October 18, has been cancelled upon request of that institution, and the University of South Dakota will be met upon that date.

Following its recent reinstatement into the Big Ten Conference, Iowa was anxious to meet as many Conference teams as possible. In accordance with this aim, a game has been arranged with Purdue, last year's Conference champions, on October 18.

Immediately after the Iowa game had been cancelled, George Washington started negotiations with the University of South Dakota. A game has been arranged with the University of South Dakota, which is still open. Eloise Lindsay has been chosen manager for the Juniors, Helen Hall for the Sophomores, and June Hill is Freshman manager.

### CLASS MANAGERS NAMED FOR CO-ED TRACK TEAM

Senior Position Still Open; Prepare For Coming Meet

Women's track practice has been progressing rapidly since it started over a week ago. All wishing to report for the meet should see Carolyn Snyder, manager.

Class managers have been appointed, with the exception of the Seniors, which is still open. Eloise Lindsay has been chosen manager for the Juniors, Helen Hall for the Sophomores, and June Hill is Freshman manager.

## Pipes save no midnight oil

IF PIPES made the man, anybody at all could rise in the world just by smoking a few pounds of Edgeworth. But pipes do not make the man.

Men make the pipe—most men do. Somewhat depends on the individual, more on the pipe, and the tobacco is most important of all. Things must be congenial.

Edgeworth is a congenial tobacco, cool, slow-burning, fully flavored. Edgeworth has poise, kindly good nature, real tobacco personality—Edgeworth welcomes new friends. Many a good man has been pledged to pipes by Edgeworth alone.

Like to meet Edgeworth? Just ask with the coupon—and the postman will bring your first few pipefuls of the genuine, three years seasoned if it's a day. Our treat, if you please.

Others have found Edgeworth and quit their discontent.

So may it be with you!

## EDGEWORTH

Edgeworth is a careful blend of good tobaccos—selected especially for pipe-smoking. Its quality and flavor never change. Buy it anywhere—“Ready Rubbed” or “Plug Slice”—15¢ pocket package to pound humidifier tin.

Larus & Bro. Co., Richmond, Va.  
I'll try your Edgeworth. And I'll try it in a good pipe.

(Witness my seal)

(and my seat of learning)

(and my postoffice and state)

Now let the Edgeworth come!

## COLUMBIAN DEBATERS ARGUE MUSCLE SHOALS

Cooperative Book Store Is Next Subject; Marks and Blythe On Affirmative

Resolved: That this house endorses the action of the United States Senate in passing the Muscle Shoals Bill, was the subject of the Columbian Debating Society's meeting of April 11. Those contending for the negative presented the more powerful arguments, winning the decision.

For the first meeting after the holidays, May 2, the society has before it the question, “Resolved: That George Washington University should install a cooperative book store.” R. C. Marks and H. H. Blythe will present the main debate for the affirmative. The negative speakers will be named later.

At the meeting of April 4, Norman Hagen, speaking for atheism, and Karl Frisbie, opposing atheism, brought on a lively discussion on the proposition, “Resolved: That atheism is a greater boon to the masses than the existing religions in America.” The society returned a decision upholding atheism.

## PHI THETA XI WILL GIVE ANNUAL ENGINEER HOP

Phi Theta Xi, engineering fraternity, will give a dance Saturday, April 19, in honor of the engineering faculty and the engineering students. The dance, which has been an annual affair with Phi Theta Xi, will be held this year in Corcoran Hall 1, from 9 to 12 p. m.

Elmer Brown's Orchestra will furnish the music.

The Dean and faculty of the Engineering School, as well as all the students with whom the fraternity has been able to get in touch, have been invited.

## SPANISH CLUB WILL MEET

The George Washington University Spanish Club will meet Thursday night at 8:15 in Building L, Room 21. Senorita Ahumada will address the members, and plans for developing interest in the club will be discussed. All students who are interested in the work of the club should be present at this meeting.

## Printing

## LIBRARY TO BE CLOSED

The University Library will be closed during the Easter recess, April 20th through April 27th. Reserve books may be withdrawn from the library at 5:00 p. m. Saturday, April 19th, and kept until 8:45 a. m. Monday, April 22nd. No reservations will be taken.

The library will close on Saturday, April 19th, at 9:00 p. m. The library will open on Monday, April 22nd, at 8:00 a. m. in order that students who are employed during the day may return the reserve books to the University Library at that time.

## Award For Chemical Grades To Be Offered

Alpha Chi Sigma to Give One Prize to Senior and One to Freshman

The George Washington Chapter of Alpha Chi Sigma, national chemical society, is continuing its usual policy of giving awards to two high ranking chemical students but has changed the nature of these prizes. Formerly a gold medal was given to the senior who made the highest grades in chemistry and a ten-dollar gold piece to the freshman. This year the society has decided to hang a plaque in Corcoran Hall and to inscribe thereon the name of the senior and to give a Handbook of Chemistry and Physics to the freshman.

The program of the society also includes a card party smoker to be held in the near future and the national meeting to take place in Minneapolis. Hugh K. Clark will be the representative for George Washington University.

In June the chapter here will issue a year book for the first time in its history. This is to be called the “Alpha Chi Sigma” and will be given to each member, active and inactive. It will contain a summary of the year's events and feature articles.

## BATCHELET WILL SPEAK TO GEOLOGY FRATERNITY

Census Bureau Geographer Will Discuss Problems in Taking Census

Clarence E. Batchelet, chief geographer of the United States Census Bureau, will address an open meeting of the local chapter of Sigma Gamma Epsilon, geological fraternity, next Thursday evening at 7:30 o'clock, in Building J, room 34.

Mr. Batchelet will talk on the geographical aspects of the work of taking the national census. All persons interested are invited.

## MEDICAL STUDENTS SEE SELF-EXPLANATORY FILM

Pharmaceutical and physiological films have recently been shown to students in the School of Medicine. Dr. J. Choisser, Navy, illustrated “Preventive Medicine” to the sophomores last week.

The four self-explanatory films, offered by the Eastman Kodak Company, were: Normal Breach Presentation, Conduction of Heart and Extra-cardiac, Fetus, Embryology, illustrating early cell division, and Surgery of the Hand.

## WOMEN'S GLEE CLUB INVITED TO RECEPTION

An invitation has been extended to the Women's Glee Club by the Men's Glee Club to attend their reception early in May.

The Women's Glee Club, inactive so far this year, will begin a series of programs about the second week in May, it is announced by the manager.

Prizes were awarded by Dean Lapham on April 12 to the girls who have completed two years activity in the organization.

## SIGMA TAU FRATERNITY IN HONOR ASSOCIATION

At a recent meeting of the Association of College Honor Societies in executive session, Sigma Tau was elected to full membership in this group.

The Association of College Honor Societies now includes Phi Beta Kappa, Tau Beta Pi, Sigma Xi, Phi Kappa Phi, Alpha Omega Alpha, The Order of Coif, Sigma Tau, and Omicron Delta Kappa.

## GROPP DELIVERS LECTURE AT GERMAN CLUB MEETING

An illustrated lecture on the Rhine Valley and Southern Germany by Professor Paul K. Gropp was the feature of the German Club meeting held in the Alpha Delta Theta rooms on Friday, April 4.

## FRANK SMITH IS SPEAKER

“Thomas Paine, Father of Modern Radicalism” was the subject of an address delivered by Frank Smith, instructor in English at George Washington, at the meeting of the Round Table Club of the Jewish Community Center, yesterday evening.

Mr. Smith is the author of an article on the subject which appeared in American Literature Quarterly of January, 1930.

## CHERRY TREE PROOF

The Cherry Tree editor will have proof of the pages of organizations, societies, fraternities, and clubs, during the Easter holidays. A member of each group should come to the Cherry Tree office in Building A to make any corrections of pages.

## COLONIAL CLUB GIVES BANQUET TO ATHLETES

Members of Teams Are Invited to Presentation of Varsity Letters

A “mid-winter athletes’ banquet,” sponsored by the Colonial Club of George Washington University, will be held Tuesday evening, April 29, at the Hamilton Hotel. The event will be in the nature of a final get-together of participants in winter sports of the University, resembling the football banquet last December. The athletes invited are the members of the varsity and freshman basketball teams, boxing, swimming and rifle teams. Varsity letters and freshman numerals will be awarded at this time.

In addition, the entire coaching staff of the University and several coaches and athletes of local high schools will be present. Others are: President Marvin, Provost Wilbur and Dean Doyle, James G. Driver, formerly athletic director at the University of South Carolina, now at the University of Virginia, has been invited.

Music for the occasion will be furnished by Norman Goldman's orchestra, which played for the football banquet.

Tickets for the banquet are priced at two dollars, and may be obtained at the treasurer's office.

## Drama Guild Presents German Drama, “Gas”

Keynote of Modern Play Is Conflict Between Mechanism and Idealism

On the evening of Saturday, April 5, The Community Drama Guild of Washington presented George Kaiser's modernistic drama, “Gas,” at the McKinley Auditorium. This play, which has been presented only once before in this country, represents the conflict between modern mechanism and idealism.

An explosion in the factory at which the new motive power of the world—gas—is produced, furnishes the basis of the plot. Upon this hypothesis is built up a new line of thought and a gamut of human emotions.

In the cast were several George Washington students. Frank Westbrook gave an admirable interpretation of a leader of the workers. Ray Moulden and Steve Nyma depicted characteristic European politicians. Others having parts in the cast were: Bob Moore, Marian Moulden, and Fletcher Henderson.

## DELTA SIGMA RHO MEETS

The George Washington Chapter of Delta Sigma Rho, honorary debating fraternity, is planning to have a meeting in the near future for the purpose of electing officers. Arrangements for a banquet for Washington members will also be discussed.

## ONE-ACT PLAYS PLANNED

Three one-act plays of various types are to be given for the University by the Drama Club in the near future. Tryouts for the presentation are being held at each meeting, the best plays given to be chosen.

At the last meeting a group of Kappa Delta girls enacted the play, “Saved,” and Phyllis Mills and Florence Jacobs, Alpha Epsilon Phi, gave “Constant Love.”

The next meeting of the club, at which more tryouts will be held, will take place tonight, April 16, at eight o'clock.

Students who wish to make money in spare hours or evenings. Congenial, pleasant work. Call to see Mr. Harding, 120 McGill Bldg., City, after 4 p. m. any day. Also Summer work.

## TO THE DANCE

For just two, or the crowd, a Saunders System car is the most convenient. Arrive early—stay till the last waltz, then home at a reasonable hour for a good night's sleep. Return the car as you go to work. The wee small hours cost you nothing. Get our rates on Model A Fords and new Chryslers.

## G. W. Faculty Members May Lease Their Homes During Coming Summer

All the year-round faculty have a chance to engage in real estate and a vacation this summer! Men coming here to teach have written inquiring whether any G. W. faculty members would peregrinate, go away and leave their houses for them and their families, during the summer session.

Bachelor professors want board and lodging with a faculty family staying in town. Mrs. Barrows' office wants to know how to answer these “help wanted” ads. So, G. W. profs., think it over, decide and notify.

## Medical Aptitude Test Administered

Students in Medicine and Pre-Med Are Examined; Moss Is On Committee in Charge

The special aptitude test for medical students, which was given this year in most of the grade A medical schools of the country, was administered to the students of the G. W. Medical School and to the pre-medical students who are applying for admission, on Saturday, April 5.

This test is used, along with former grades, as one of the criteria determining the student's possibilities in medical school and the advisability of admitting him. The correlation between the results of these tests and the actual progress of students has been found to be very high.

This test is given under the auspices of the American Association of Medical Schools. It was devised by a committee of psychologists headed by Dean Torland Solomon of the Western Reserve Medical School. The other members of the committee are Dr. William Barraclough of Columbia, president of the Association of Medical Schools; Dr. H. F. Wisniewski of Syracuse, chairman of the committee on educational policy; Dr. F. A. Moss of George Washington, secretary and director of study, and Dr. Ben Woods of Columbia.

## LINEBARGER LEAVES FOR CHINESE CAPITAL

Paul M. Linebarger, until recently a student in Columbian College, left for China on April 9, for an indefinite stay. He will probably live in Nanking, the present capital.

While at George Washington, Linebarger was president of the G. W.

Liberal Club, a member of the staff of The Hatchet, and a member of the Columbian Debating Society. Several critics have commented favorably upon some of his poetry.

## Cupolas controlled from the laboratory

White hot rivers of metal, pouring from big cupolas in Crane foundries, are even more thoroughly analyzed, more carefully watched, than the drinking water pouring from a faucet in a well-ordered city.

Because correct chemical ingredients in valve metals are as essential to absolute safety and right functioning of a piping installation as pure water to human health, Crane Co. has always maintained laboratory control of its cupolas.

This means that experts in the metallurgical and physical testing of metals are responsible for the quality of every valve and fitting turned out. It means that tensile strength, yield point, elongation, and reduction of area of test bars taken every hour of the day's run are known to laboratory and cupola chemists.

It means that constantly, as the metals pour out, the proportion of silicon, manganese, carbon, phosphorus, calcium, pure iron, are known and uniformly maintained. It means immediate correction of any variation and rejection of faulty materials.

From specifications of raw materials to final installation, Crane Co. knows its products and what they will do. How Crane Co. developed the background for this knowledge makes an absorbing story. It is titled *Pioneering in Science*. Aside from its interest, you will find it a splendid reference book on the reactions of metals to high temperatures and pressures.
